

MISSA 2022 Weekend Two, August 6-7
Mark-making with Handmade Tools
MARYLOU WAKEFIELD

Supplies to bring:

Paper - Students should bring a selection of papers to experiment with. Any kind of inexpensive drawing paper and any other type of paper they wish to experiment with. *Mulberry and rice paper will be available to use in class and is included in your materials fee. Should you wish to have more to experiment with that the amount allotted, you are welcome to bring more of your own.*

Ink – Students should bring one black ink such as India ink (black) or sumi ink (black). *Coloured inks will be available to use in class and usage is included in your materials fee.*

Botanicals materials– Students should bring a variety of dried botanical materials they have collected from wild areas. These materials will be made into hand-made brushes/tools that will be dipped into ink. Some botanical materials will be provided.

Binding material – To bind the botanical materials together into a brush, students will need a selection of jute, cotton string, linen thread, copper wire, wool or whatever the student wants to use. The idea is to create a tool that's unique to you.

Ink containers – Students should bring at least one wide mouthed, flat-bottomed container that can hold ink and a second container to hold water.

Optional – Masking fluid, old hair dryer (*MISSA will have some available to use, especially for those travelling.*)

Miscellaneous supplies - Scissors, paper towel, artist tape, pens, pencils, ruler

All students are responsible for bringing supplies to class. Any material fees charged are in addition to these supplies.

Please bring packing materials to safely transport your work home.
