

MISSA 2023 Weekend One (2-day) July 15-16

PHYLLIS SCHWARTZ

Experiment with Cyanotypes

Student Supply List:

MAIN SUPPLIES:

- Botanical materials (dried, pressed, live, wilted); materials can also be gathered on-site.
- Materials that leave recognizable shapes or creative shapes (lace, feathers, household objects); those that are transparent will have one effect; those that are opaque will leave the shape of the object; there is a lot of room for creativity.

OPTIONAL items to bring:

- High-contrast transparencies or negatives
- Scissors, matte-knives
- Drawing materials and notebook

****Please put your name on all your supplies and equipment****

Students, please contact your instructor directly if you have any questions about the supplies listed.
