

MISSA 2024: WEEKEND TWO (2-day): July 20 – 21

Historic Tintype Photography Process

KEN MINER

Student Supply List

- Nitrile gloves that fit well
- Clothes that are ok to get dirty or stained
- Safety glasses
- A box to take your plates home in. Glad/Tupperware or similar that is big enough to hold a 4x5 plate is recommended. Students will need one box per plate, recommend bringing 8-10 boxes.

OPTIONAL items to bring:

- Respirator - some people find the smell of the chemistry to be very strong. A well-fitting respirator is recommended for people with respiration concerns.

There is a material fee for this workshop that will include your photographic plates as well as all chemicals required for this wet plate collodion process. The fee will be included in the tuition cost posted on the website.

Students, please contact your instructor directly if you have any questions about the supplies listed.
Instructor Name: **Ken Miner** Email: ken [at] kenminer.ca
